

[TLC Home Watch](#) of Alexandria, Minnesota, has earned accreditation from the [NHWA](#).

The journey of The Lenertz Company (TLC) has brought Michelle Lenertz and her husband, Brad, to three states: Minnesota, Iowa, and Wisconsin. Moving within those states, they have owned six homes, building one from the ground up. This gave Michelle invaluable insights into the intricacies of home construction and maintenance. After moving to the lakes area of Alexandria in 2014, Michelle's involvement with Habitat for Humanity (and leading builds with the Women Build Program) further solidified her belief that every person deserves a safe and secure home—a philosophy that forms the foundation of TLC Home Watch's mission. With the company having earned accreditation from the NHWA and having their clients' best interests in mind, clients will enjoy the peace of mind of knowing their home is being watched with Tender Loving Care (TLC) while they are away.

Michelle started out professionally as a corporate travel agent, which utilized her attention to detail and organizational skills. As their family grew, those skills shifted in focus as she assumed various career opportunities that included supporting an independent singer/songwriter and recording artist as their personal assistant and tour manager, serving as a receptionist/Human Resources aide, and a 20+ year career as a Mary Kay Consultant.

Beyond her professional endeavors, Michelle is an avid community contributor and enthusiast. Whether boating on the lakes, attending cultural events, or indulging in hobbies like card making and stained-glass art, Michelle and Brad embody a spirit of engagement and enjoyment in life's diverse experiences. As empty nesters, they enjoy the opportunity to travel to spend time with their son and granddaughter, who live in Eastern Wisconsin. They have been married for 37 years.

TLC Home Watch serves homes and cabins in the lakes area surrounding Alexandria, within a 30-minute drive, in the following communities: Alexandria, Carlos, Lake Carlos State Park, Miliona, Garfield, Kensington, Legrand, Holmes City, Forada, Nelson, and Osakis.
